Personal Portfolio Pitchboard

- **Short Pitch:** Aspiring entry level Software Developer with skills in HTML/CSS, JavaScript, Python & PostgreSQL.

- **Long Pitch:** Michigan State University Senior majoring in Information Science with a focus in creating human-centered tech, and a minor in Entrepreneurship & Innovation. I enjoy spending time outside of the classroom gaining new skills in programming and trends in the industry.

- **Personas:**

  - **1) Tech Recruiter**: Prospective of a tech recruiter who is in search of new talent.

  - **2) Fellow Student:** Prospective of another student viewing my portfolio for insight/ideas for their own.

  - **3) Instructor:** Prospective of an instructor viewing my portfolio to learn more about myself as well as potentially recommending me for professional roles.
